

Thursday Night Meals And Freezer Meals

The Dinner Tray Feeds 4-6

The Full Meal is our Dinner Tray Plus TWO Side Dishes

All dinners are made by Frank fresh on the premises. They will be presented in a sealed aluminum steaming tray suitable for either heating and serving that night, or storing in your freezer to be served at a later date.

Families can choose to order the lunch meal that is served to the children on each Thursday, or a special bonus meal chosen by Frank. The choices will be available when the weekly menus are sent out each Friday. All meal requests must be submitted by 6:00 pm on the following Monday. You can place your order via phone, email, or by signing up on the sheet in the front hall. Meals will be ready for pickup any time after 2:30 pm on Thursday.

Frank's Freezer is another dinner option. Frank always has a secret stash of homemade meals and a variety of tomato sauces stowed away in his freezer. If you need a meal on the quick, stop by the kitchen, call or email and we can let you know what's available.

Proceeds will be used to fund our Visiting Educators program and supplement our Art Supply budget.
